**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential customer of Sonic.net in Sonoma County, California. Sonic is the ONLY provider of internet connection that is available to us in this rural community. We rely on this connection for our livelihood, entertainment and connection to family and friends. Sonic also provides our telephone connection.

This is a critical service to areas like ours, it is vital that we are allowed to keep this service.

Thank you,
